Azores & Madeira

Thinking of the Azores and Madeira! Portugal's Madeira Islands are tropical-like and the Azores Islands, considered some of the most beautiful islands in the world, are truly stunning and unique. The Azores - Nine different islands of adventure! You can see dolphins and whales frolicking in the sea or volcanic landscapes covered in green; wonder at the craters of extinct volcanoes with steam rising from the land. On these amazing islands it feels as if time has stood still. Madeira islands are located in the Atlantic Ocean some 850 km from Lisbon. Legend has it that the Madeira Islands were part of the lost kingdom of Atlantis. Madeira is a lush and mountainous paradise, the jewel in the Madeira Islands crown. Formed by volcanic eruptions long ago, the island offers adventure options galore, for example hiking 6,100-foot Pico Ruivo, the island's tallest peak. Offshore, the azure water is so deep that whales sometimes swim near land.

Travel Insurance

When you travel you don't want to worry about anything. But events happen, even to well-prepared travellers. For example you may have to cancel your trip at the last minute to tend to a family emergency or you may need medical assistance when you are away. Your baggage may go missing, or there may be damage to your personal property, the future is unknown. A back-up plan is just as important as purchasing your vacation. We recommend the purchase of insurance. With different plans to choose from, let us help you purchase the right insurance for you.

Spring/Summer 2015

Portugal means year round sun

Wander through the Alfama, Lisbon's Moorish quarter, or visit the palaces of nearby Sintra. Porto's Ribeira, a jumble of ancient streets, is a World Heritage Site and another fascinating glimpse into Portugal's history. The beaches along the Algarve are favourites with sun seekers as well as golfers looking to escape winter. Head inland along the Duoro for fruit white wine, to Alentejo for almonds or to Evora for some Roman and Moorish history. Wherever you go indulge in sumptuous seafood and let the melancholy fado be the soundtrack for your Portuguese holiday!
